Hello! Myself, our Host Team- Jaybots 16700, and Event Director and 16700 Coach, James Amodio, **are excited to see you all this weekend!**

We hope everyone on the team has read the email below and the Team Guide and all its external links.

[FIRST@MVCC Events webpage](#) > Team Guide button

There is a lot to digest, but being in the know will ensure all our teams and valuable volunteers have the best experience possible.

Reminders from the Team Guide and Additional Notes:

1. Teams **MUST** bring their **PRINTED** Team Roster from the *Coach's FIRST Account Dashboard* to Team Check-in. To make sure all team members are on it, **use the very convenient [FIRST EXPRESS Registration](#) to register all team members right away.** LOGIN HERE <https://www.firstinspires.org/>
2. Judging times and inspections for all our events are now **PRESCCHEDULED**. See  **TEAM SCHEDULE** for **JUDGING & INSPECTIONS** in the Team Guide. Record and share all your team's times.
3. To keep our events on time, **ALL** teams should arrive no later than 7:30 am, regardless of your scheduled times referenced above. Thanks!
4. Portfolio: Teams including info for the Control Award (optional), if able, the Judges would appreciate a **2nd copy** of the full Engineering Portfolio to be collected during morning interviews.
5. Teams **MUST** bring safety glasses and/or side shields for the entire team, coaches/mentors, and all guests. We will not have any to lend other than to volunteers.
6. FYI:
There is no FIRST Tech Challenge bi-weekly Team Update to the Competition Manual for today. The next one is scheduled for Thursday, December 12. **But for our collective, most-awesome-est futures', Our Regional Head Referee, Lisa Russell, requires everyone to please always be reading the latest Team Updates.** There have been consistent changes regarding game play in all the bi-weekly Team Updates. So to make all our tournaments as successful as possible for all teams and volunteers please keep up on them.
>>> The Competition Manual (and all its Team Updates) is always found on the FIRST Tech Challenge [Game & Season Info page](#) > Season Materials. Or type ftc.game into your search bar.

See you soon!

Best,

Tina Betz
