

NY Excelsior John Jay QUALIFIER

Team Tournament Guide Please share with all on the team.

Saturday, December 7, 2024

Your hosts, the [Jaybots](#) 16700, are honored to welcome our ambitious teams for this exciting event!

Tournament Director:

James Amodio @ james.amodio@wcsdny.org

Hosting venue:

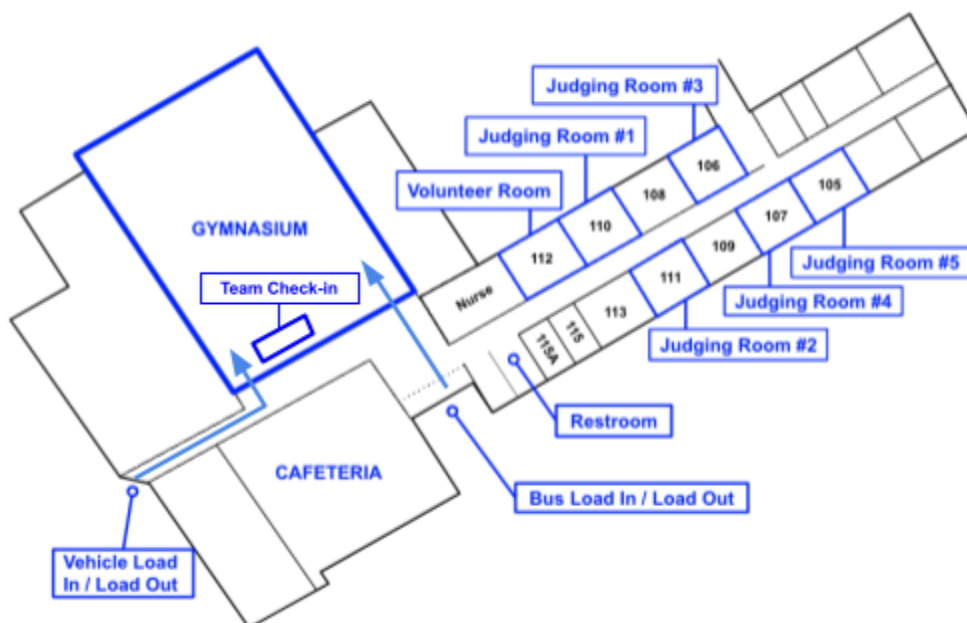

[John Jay Sr. High School](#), [Wappingers Central School District](#)

We look forward to a day filled with [Gracious Professionalism](#) from all involved!

General Event Info

- Saturday, December 7, 2024, 7:15 am - 6:00 pm. [Full event schedule](#) below.
- TEAMS SHOULD ARRIVE AT 7:15 am for [Check-in](#).
- **NEW!** [TEAM SCHEDULE for JUDGING & INSPECTIONS](#) (Times are PRESCHEDULED for all teams.)
 - [Judging](#) interviews are PRESCHEDULED to begin at **7:40 AM**.
 - [Robot & Field Inspection](#) is also PRESCHEDULED and will begin at **7:30 AM**.
 - Early inspection will be the evening before from 5:30-7:00 pm. [\[Registration Required\]](#)
 - **There will be NO early pit setup.**
- Live-stream: All NY Excelsior events stream live on [ExcelsiorNY.org](https://www.excelsiorny.org) via our [@NY_Excelsior_FIRST](#) YouTube.
- Lunch orders are available for teams. [\[View Ordering Options\]](#) **Order by noon on Wed. 12/4.**
 - Location: **Skip Ransom Memorial Gym at John Jay High School**
 - **John Jay Senior High School, 2012 NY-52 Hopewell Junction, NY 12533**
 - [Google Maps Link](#)
 - Annotated school map:

Empower
Challenge
Grow

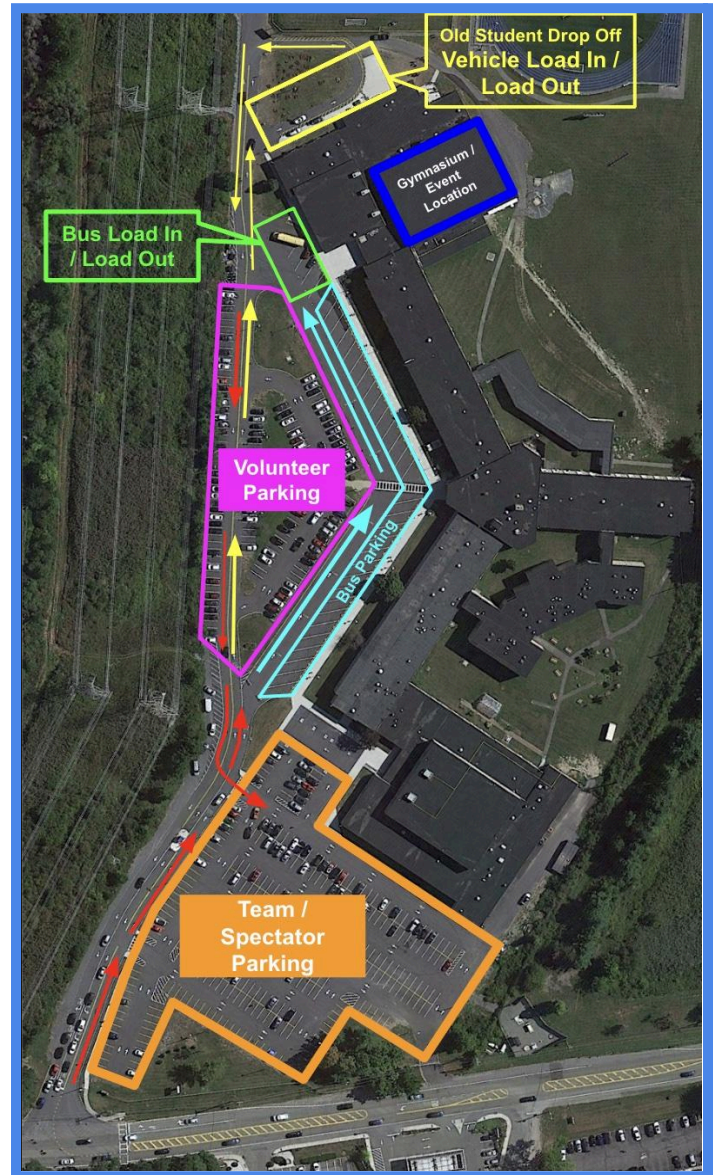

Load-In / Load-Out & Team Parking:

- **VEHICLES:** (NO BUSES)
 - Unload at the old student drop-off.
 - ONE vehicle per team only unloading at this entrance.
 - **No parking in front of the school**
 - **Team and Spectator Parking:** [Student Lot, near the auditorium.](#)
 - **Follow Red & Yellow lines for traffic.**
- **BUSES:** Unload in front of the gymnasium.
 - Park in a [designated bus parking spot](#) in front of the school.
 - **Follow Red & Cyan lines for traffic.**
- The event is located in the [Gymnasium](#) (Dark Blue)

Robot & Field Inspection

NEW! 1 TEAM [SCHEDULE for JUDGING & INSPECTIONS](#)

- 2-3 team members should come to inspection.
 - One should be a robot driver
 - One should be a builder
- **Evening before/EARLY inspection: 5:30 - 7:00 pm.**
 - Teams must sign up [HERE](#).
 - There will be **NO early pit setup**.
 - If inspectors find problems, teams have extra time for repairs and then can get re-inspected in the morning.
- Do not leave robots, computers, or valuables at the venue overnight. There will be no security staff.
- Teams **MUST** fill out and bring the following form to inspection:
 - [Inspection Checklist](#) (Source: FTC [Game & Season Info page](#) > Season Materials. Or type **ftc.game** into your search bar.)
- **NEW RULE!** <E116> **Inspection is required for Practice Field access.** A team may only use a Practice Field with a robot that has passed an initial, complete inspection.
- **NEW Requirement!** <R104> In addition to the 18"x18"x18" sizing box, robots will be placed in a 20"x42" taped box to demonstrate all motion remains within the box.
- Robots picked for Playoff alliances will require re-inspection after alliance selection.
- Changes made to robots after inspections or during the tournament may require re-inspection. See [Competition Manual](#), Section 3, Rule <I304>.

Practice Field Areas:

1 or 2 practice fields will be available, provided by some of our teams. Please share practice areas with all teams. *Do not rely on practice field measurements/configurations, as tournament officials will not set them up.*

NEW! ROBOTS MUST PASS [INSPECTION](#) BEFORE USING PRACTICE FIELDS.

(Paraphrased) from Section 5 Event Rules in [Competition Manual](#):

- <E116> A team may only use a Practice Field after their robot passes an initial, complete inspection.
- <E107> Teams may NOT set up their own practice equipment outside their pit anywhere at the event.

SAFETY GLASSES OR SIDE SHIELDS ARE MANDATORY! Section 5, Rule <E101> in the [Competition Manual](#).

Teams, Coaches, families - **EVERYONE** - in the Pits, practice fields, match queue lines, and competition fields **MUST wear SAFETY GLASSES AT ALL TIMES**. Teams should always come prepared with **extra safety glasses** for all guests.

ALL TEAM MEMBERS MUST READ THE [COMPETITION MANUAL](#) (and all its Team Updates) referenced multiple times throughout our Team Tournament Guides. (Always found on the FIRST Tech Challenge [Game & Season Info page](#) > Season Materials. Or type **ftc.game** into your search bar.)

Team and Coach CHECK-IN: 7:15 am

- **DO NOT arrive later than 7:30 am** so all Inspections & Judging can be completed.
- Team Check-In/Registration table will be immediately inside the gymnasium when you enter the main doors.
- All teams must send **1 Coach/Mentor and 1 team member** to the Check-in/Registration table upon arrival. The rest of your team can proceed to the Pit Area to set up and begin [Inspections](#).

Coaches MUST bring their PRINTED FIRST TEAM ROSTER to every competition:

1. **Weeks before, use FIRST EXPRESS Registration (LINK)** to register all team members.
2. **PRINT the Team Roster from your FIRST account to BRING to Check-In**
 - Log in to your FIRST dashboard on www.firstinspires.org.
 - Ensure all students are listed in the Team Roster from the "MY TEAMS" tab. *If not, see #1 above.* (As a last resort option, and NOT recommended as it will be unavailable soon: A parent/guardian can sign a [Consent & Release](#). You will submit it along with the Team Roster list of your other students.)

For assistance with team member registration see: [Youth Registration System Overview](#)

IMPORTANT REMINDERS!

- **READ the [COMPETITION MANUAL](#) and all orange boxes! "Team Updates" identify important changes to the manual: [Combined Team Updates doc](#)** (Source: [Game & Season Info page](#) > Game Specifics > Team Updates)
- Remember to install a (labeled!) **Main Power Switch on the Robot** in an easily accessible location.
- CHECK all robot cables/wiring are secure before matches. While designing/building, consider using cable strain relievers. *MOST robot issues are caused by loose, unmanaged cables!*
- **!!! FIRST** highly recommends [updating your REV Control Hub firmware](#) on your devices. This takes care of important fixes, including where Wi-Fi sometimes stops working after waking from sleep.
- **App versions on Driver Station and Robot Controller SHOULD MATCH**
 - Versions **ARE HIGHLY RECOMMENDED** to be 9.0 or higher.
- *List is updated each season: Only phones listed in the current Competition Manual can be used at the competition: [Competition Manual](#) Section 12.7 Control, Command & Signals System <R704>.*
- **Phones should meet the Android version requirement** referenced in <R713> in the [Competition Manual](#).
- FTAs and CSA may ask teams to have WiFi set to a specific channel. If they do, stay on that channel!
- Highly detailed ROBOT CONSTRUCTION RULES are in Section 12 in the [Competition Manual](#).
- [Inspection Quick Reference](#) (Source: [Team Management Resources](#) > Building the Robot). *This document is to serve as a guide, but it is NOT an all-inclusive list.*
- **NEW!** Robot Sign Requirements: Teams must have both Red & Blue Robot Signs to pass inspection. ([SIGN TEMPLATE](#) Source: FIRST Tech Challenge [Game & Season Info page](#) > General Team Materials). Robots must come to their matches with the correct Alliance-colored Robot Sign installed. Velcro is best to attach them. (**Details in Section 12.4 Rule in the [Competition Manual](#)**)
- [Design a Team Avatar](#) to be shown through the scoring system at competitions! Design approval from FIRST HQ will take approximately 2 weeks, so start creating it now. You may have it in time - or for your next competition.

Judging Interviews:

- All of the team should be very familiar with Section 6, Awards, in the [Competition Manual](#), as there are many changes in Award criteria this season!
- Judging times are **PRE SCHEDULED**: **TEAM SCHEDULE for JUDGING & INSPECTIONS**
- **Reminder:** All teams should arrive no later than 7:30 am.
- Interviews will take place in the annotated rooms on the [map on page 1](#). (The classrooms are along the hallway directly to the left after exiting the gym.)
- Each interview will last 15 minutes in total.
- Teams can begin their interview with an uninterrupted formal team presentation *no more than 5 minutes long*. After 5 minutes, Judges will need to respectfully cut you off and start asking questions to fit them all in.
- Volunteers will collect Teams for judging 5-10 minutes before a team's assigned time.
- Hand Engineering Portfolio to judges at the start of interview session. *Now only required for SOME awards.*
- Section 6 Awards <A107> ONE adult silent observer is welcome. (Check with the team, they may not prefer it.)
- <A108> Outlines translator accommodations. If this applies, *contact us with any needs well BEFORE the event.*

FIRST Aid & Emergencies:

- FIRST AID kits will be located by **Pit Admin**. (Near the practice field closest to the lobby).
- **In Case of Emergency, call 911.** Give this location: **John Jay High School East Fishkill Gymnasium**

Drive Team Meeting: 9:50 am

Two drivers and a team driver coach from each team **MUST** attend the Drivers' Meeting with the Referees on the bleachers. The Head Referee will share specific game rules and scoring details. Afterward, team members in attendance share the information with the rest of their team and Coaches/Mentors.

Opening Ceremony: 10:15 am **TEAMS ARE EXPECTED TO ATTEND**, and NOT BE IN THE PITS OR PRACTICE FIELDS.

- [Spectator Parking: Student Parking Lot, Near Auditorium](#)
- **Spectators** should arrive around **10:00 am** for the Opening Ceremony scheduled for **10:15 am**.
- *Everyone in the Pit Area and at all Fields must wear **safety glasses** and **closed-toe/heel shoes**.*
- **Please prepare and bring EXTRA safety glasses for all your guests!**

Engineering Portfolio

- *Portfolios are now only required for SOME awards.*
 - Give a **PRINTED COPY of your Engineering Portfolio** to the Judges during the a.m. Judging interview.
 - Engineering Portfolio instructions are throughout the entirety of Section 6 in the [Competition Manual](#).
 - **Important: 15 pages MAXIMUM, plus 1 cover sheet with team number.** (If more than 15 pages, Judges cannot view more than those first 15 pages.)
 - **It is recommended Engineering Portfolios include information related to ALL awards.** See Sections 6.1 & 6.2 specifically in the Competition Manual.
 - **CONTROL AWARD submissions (optional) no longer have a separate form. They are now to be included within the 15-page Portfolio.** See Section 6.2.6 in the Competition Manual.
 - *For teams including information for the Control Award (optional) in their Portfolio: if able, the Judges would appreciate a **2nd copy** of the full Engineering Portfolio also to be collected during this interview.*
 - Engineering Portfolio pick-up location will be at the **Check-In/Registration** table in the afternoon.
- > Compass Videos are only submitted for the NY EX Regional Championship. *Promote Award has been retired.*
-

Team Advancement:

We look forward to a day filled with Gracious Professionalism from all involved!

Approximately one-third of ALL NY Excelsior teams advance to the Regional Championship. EACH NY Excelsior Qualifier advances between 2-5 teams. The number of advancement spots is determined AT each event as they must be proportionate to the actual number of teams competing at each Qualifier. Advancing teams are invited through announcements at each Closing Ceremony, and again via email to the Coaches thereafter.

Advancement to the next tournament level is determined by team performance and awards and is outlined in great detail every season in the "Advancement" section 4 of the [Competition Manual](#).

Note: Teams who win 1st place Inspire at a Qualifying Tournament cannot be considered for 1st, 2nd, or 3rd place Inspire at their subsequent *Qualifying* Tournaments within the same season..

NEW! Paraphrased from the 2024-25 Competition Manual: **Teams are only eligible to advance from events in their own region. Teams can advance from any of their first 3 qualifiers.** Teams may compete at a 4th event, or outside their region, but only for more gameplay, and will not be advancement eligible from these.

Lunch Options: Be prepared with food and water for the day.

- It is recommended that teams pre-order discounted pizza: [ORDER FORM HERE](#)
 - Orders are due Wednesday, December 4th at NOON
 - 16" Pizzas are 8 slices: \$25 ea.
 - Payment is due on tournament day.
 - Cash or Checks payable to: "Jaybots 16700 Robotics Team Booster Club"
 - Check memo: "Lunch [Team Name & Number]"
 - Receipts available upon request.
 - Questions regarding pre-orders should be sent to hello@jaybotsboosters.org
 - Pre-order lunch delivery labeled with Team Number will occur during lunch in the Cafeteria.
- Lunch is only a half-hour, 12:30 - 1:00 pm, so this will be the most convenient lunch option on-site.
- Courtesy of the [Jaybots Boosters Club](#):
 - Delicious on-site Snacks & Refreshments will be available while supplies last.
 - **However, the best option for teams is to order in advance through the Pizza Order Form.**
- No food will be allowed in the Gym, Pits, or Competition space. ALL FOOD should be eaten in the cafeteria.

Pit Area & Safety: **(These venue rules supersede any that differ found in the [Competition Manual](#).)**

Be gracious and safe when unloading, setting up, and loading your equipment and displays.

- Teams, Coaches, and EVERYONE in the pits, practice field, and tournament areas **MUST wear safety glasses.** We will only have them to lend out to our valuable volunteers.
- Everyone in the pit and tournament floor areas must wear closed-toe, closed-heel shoes.
- One 8' table & 2 chairs will be provided per pit.
- The pit area will be approximately 8' x 8'. Please do **not** bring 10' x 10' canopies.
- Please ensure main walkways remain clear.
- PLEASE have provided Team Number signs visible in your Pit, so Judges/Queuers can find you.
- Each Pit will be provided with 1 outlet. Teams must bring **surge-protected power strips** and **extension cords**.
- **Use of power tools is strongly discouraged so as not to damage the flooring.**
- **Tools with the potential to create sparks are prohibited.**
- Application of sprays, adhesives, and paints, or any other volatile or flammable substances, **is prohibited**.
- Please **DO NOT** attach team banners/signage on any buildings' walls or surfaces. No tape on any walls.
- Team banners should be in your team's Pit area or handheld in the stands, not blocking anyone's view.
- Please leave your Pit area and the entire building as *clean as you found it*.
